Consumption!-The following remarks

"The surprising effect produced by Dr. Taylar's Balsam of Liverwort, in consumptive cases, can not fail exciting a deep and thrilling interest. A that this Limiment is intended to cure too throughout the world. We have so long believed many diseases, but we assure you that all diseases this disease (consumption) incurable, that it is of this character, and many others that might be difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet his is a fact of daily occurrence; how then can ve question the virtue of the above medicine In our next, we shall be more explicit; meantime we hope physicians will make trial of this mediine and report its effect to us."

many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, retore tone to the nerves and muscular organs, Of the kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. If all will use it, we are con fident an clastic step, good appetite, and ruddy cheeks will follow. Once more remember, the oriinul and contine is made at 375, Bowery.

SPITTING BLOOD .- This disease consists of a discharge of blood, often frothy, from the mouth, brought up with hawking and coughing, nd is usually accompanied with difficulty of breahing, and some pain in the chest. Sometimes it s preceded by an oppression at the chest, a dry sching cough and slight shooting pains,—This iscase is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and un alone save this end. But Dr. Taylor's Balsan of Liverwort is a sure remedy, and to show in unparalleled success cirtificates of cures from 421 itizens and many physicians will be published in
